2017 Fall Junior Golf Instructional Program

This is a continuation of the first Fall Program. The weather will get colder and on the chilly Days we will be begin to focus much more towards the short game and putting. Rollandia's huge pro shop area allows me to have several putting station and chipping station inside the pro shop. We also put up a hitting net inside to practice full swings and Rollandia has heated hitting bays outside to practice full swings and driver shots. 2018 Winter Junior Golf Instructional Program

It will be cold during this 7 week program. I have taught golf for about 35 years, I have learned over this time that if every student I teach can learn to grip the club correctly, have a good posture, know how to AIM and have correct ball position they have a good chance to make a solid strike. This takes time, patience, and discipline. We can work on these aspects of the game inside the pro shop. We will all become great putters!! This is by far the most important skill you can acquire if you want to move forward in golf. We will hit outside in every practice session.

Dates/Times: Monday's 4:30pm -- 6:00pm Jan. 8, 15, 22, 29, Feb. 5, 12, 19
Wednesday's 4:30pm – 6:00pm Jan. 10, 17, 24, 31, Feb. 7, 14, 21
